The diagram shows a rectangular window titled "Confirmation List". At the top right of the window are two buttons labeled "Next" and "OK". The main area of the window contains a list of email fields. The "To" field is highlighted with a diagonal hatching pattern. The "From" field contains the text "1@111.co.jp". The other fields ("Bcc", "Subject", "Text", "File") are empty. At the bottom right of the window, the text "Memory 100%" is displayed. A label "500" with a pointer is located above the window.
